

Jeløy 13th of June 2011

Dear NLDI-delegate

Welcome!

On behalf of the NLDI-staff I will welcome you to the 2011-2013 session of the Nordic Leadership Development Institute. 17 delegates from the four Nordic and Eastern Europe territories will join this second session. The list of delegates is soon to be completed, but underneath you find the confirmed delegates by date.

Practical information

The first residential course

...will take place 17th to 21st of October 2011 at the **Salvation Army's Resource-centre Jeløy, Norway.**

Travelling

For those of you who need to order flight-tickets for the first residential course, we will arrange transport from Oslo airport Gardermoen at 11:00 on Monday 17th of October. It should be possible to arrive at the airport from all the Nordic countries before 11:00.

The **departure-transport** will leave from Jeløy 15:00 on Friday 21st of October. We will be at the airport app. 17:00. Planning for two hours check-in time, you can therefore order return-tickets from 19:00. This should not be a problem for any of the delegates from the Nordic countries. If the delegates from EET have problems finding tickets to suit these arrangements, we will try to make individual arrangements for you.

Visiting lecturers in course I

In addition to meeting with the hosting territory's leadership, you will listen to:

- Commissioners Janet and Robert Street
- Commissioners Ingeborg and Alex Hughes
- Lieutenants Rut and Peter Baronwsky

Internet

Many of you will already have visited the NLDI-site (<http://sa-nldi.info>). The site gives you an idea of the program from the first session. We will start updating the site for the second session around the 1st of July 2011. Please send your picture and a very brief "CV" (look at the examples from the first session) so that we can update the web with the information.

During the first residential course at Jeløy you will be introduced to the internet-platform we will use for the chat-room-sessions. It is a simple tool to use, but it is easier to support any questions when we are all together.

Handbook

We will make a new handbook for the second session and our deadline is 15th of August. The new handbook will be made available on the internet, but it will also be sent to you in hardcopy after this date. The handbook will include a list of literature. If you want to have a small book to look at before you receive the complete list, I recommend Robert Street's "Servant leadership" as a preparation for the first course.

Note: The book is available in several of the Nordic languages.

The second residential course

The dates for all the residential courses are not finalized yet, but the second course will take place in Estonia in week 16 in 2012 – (16th to 20th of April).
